

Presentation Pointers

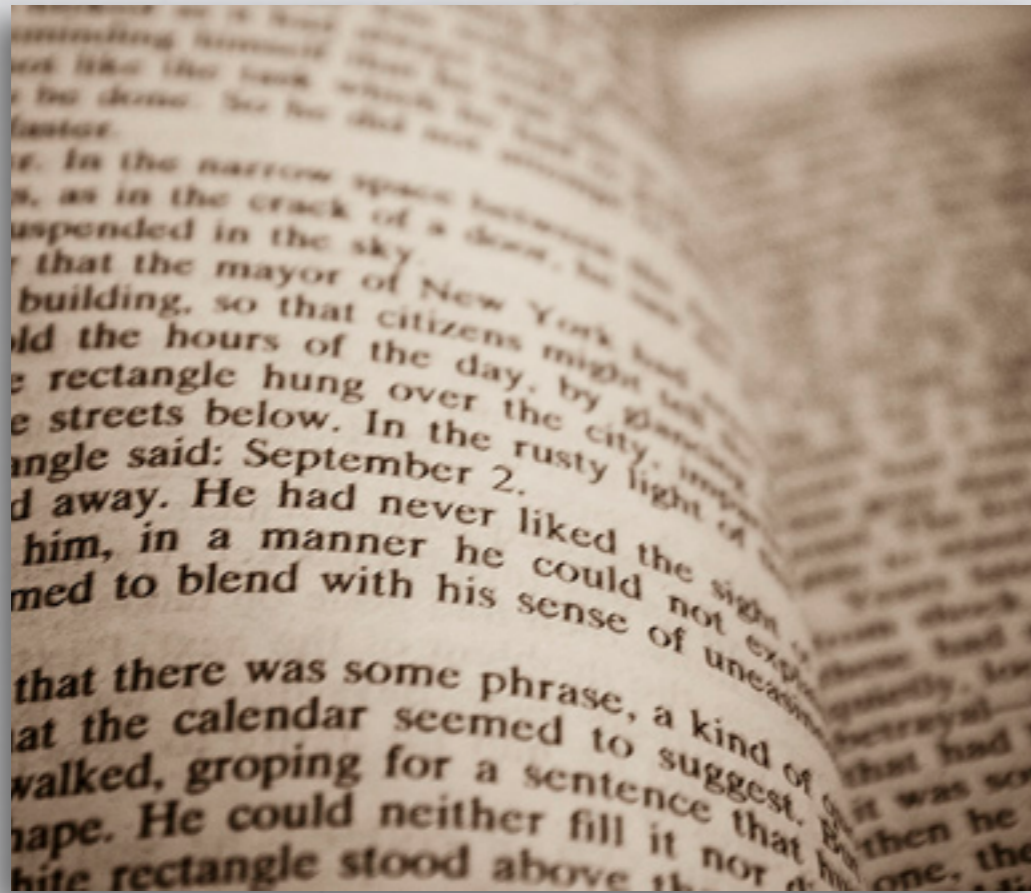

Mary Joyce | Istanbul, 2012

www.health-rights.org

Why do presentation skills matter?

They give power
to our ideas
and ourselves.

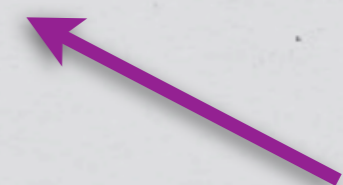

A slide presentation is more like a....?

* a Book

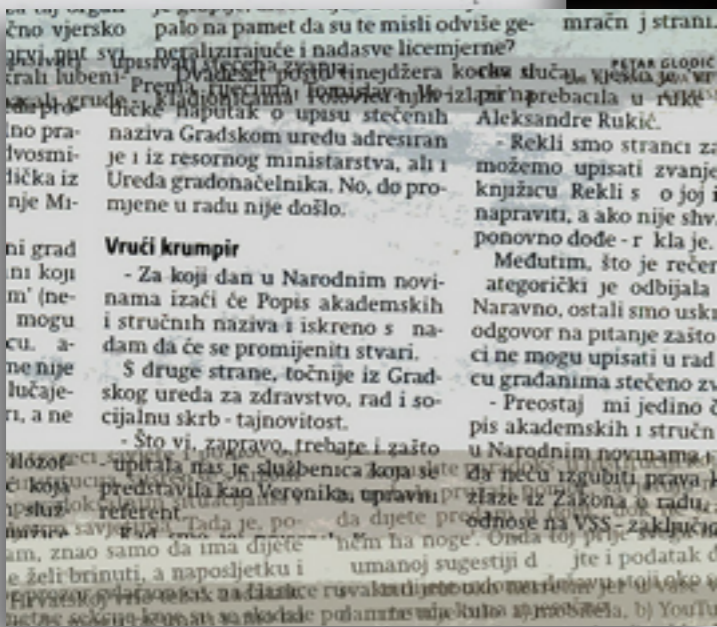

* a Movie

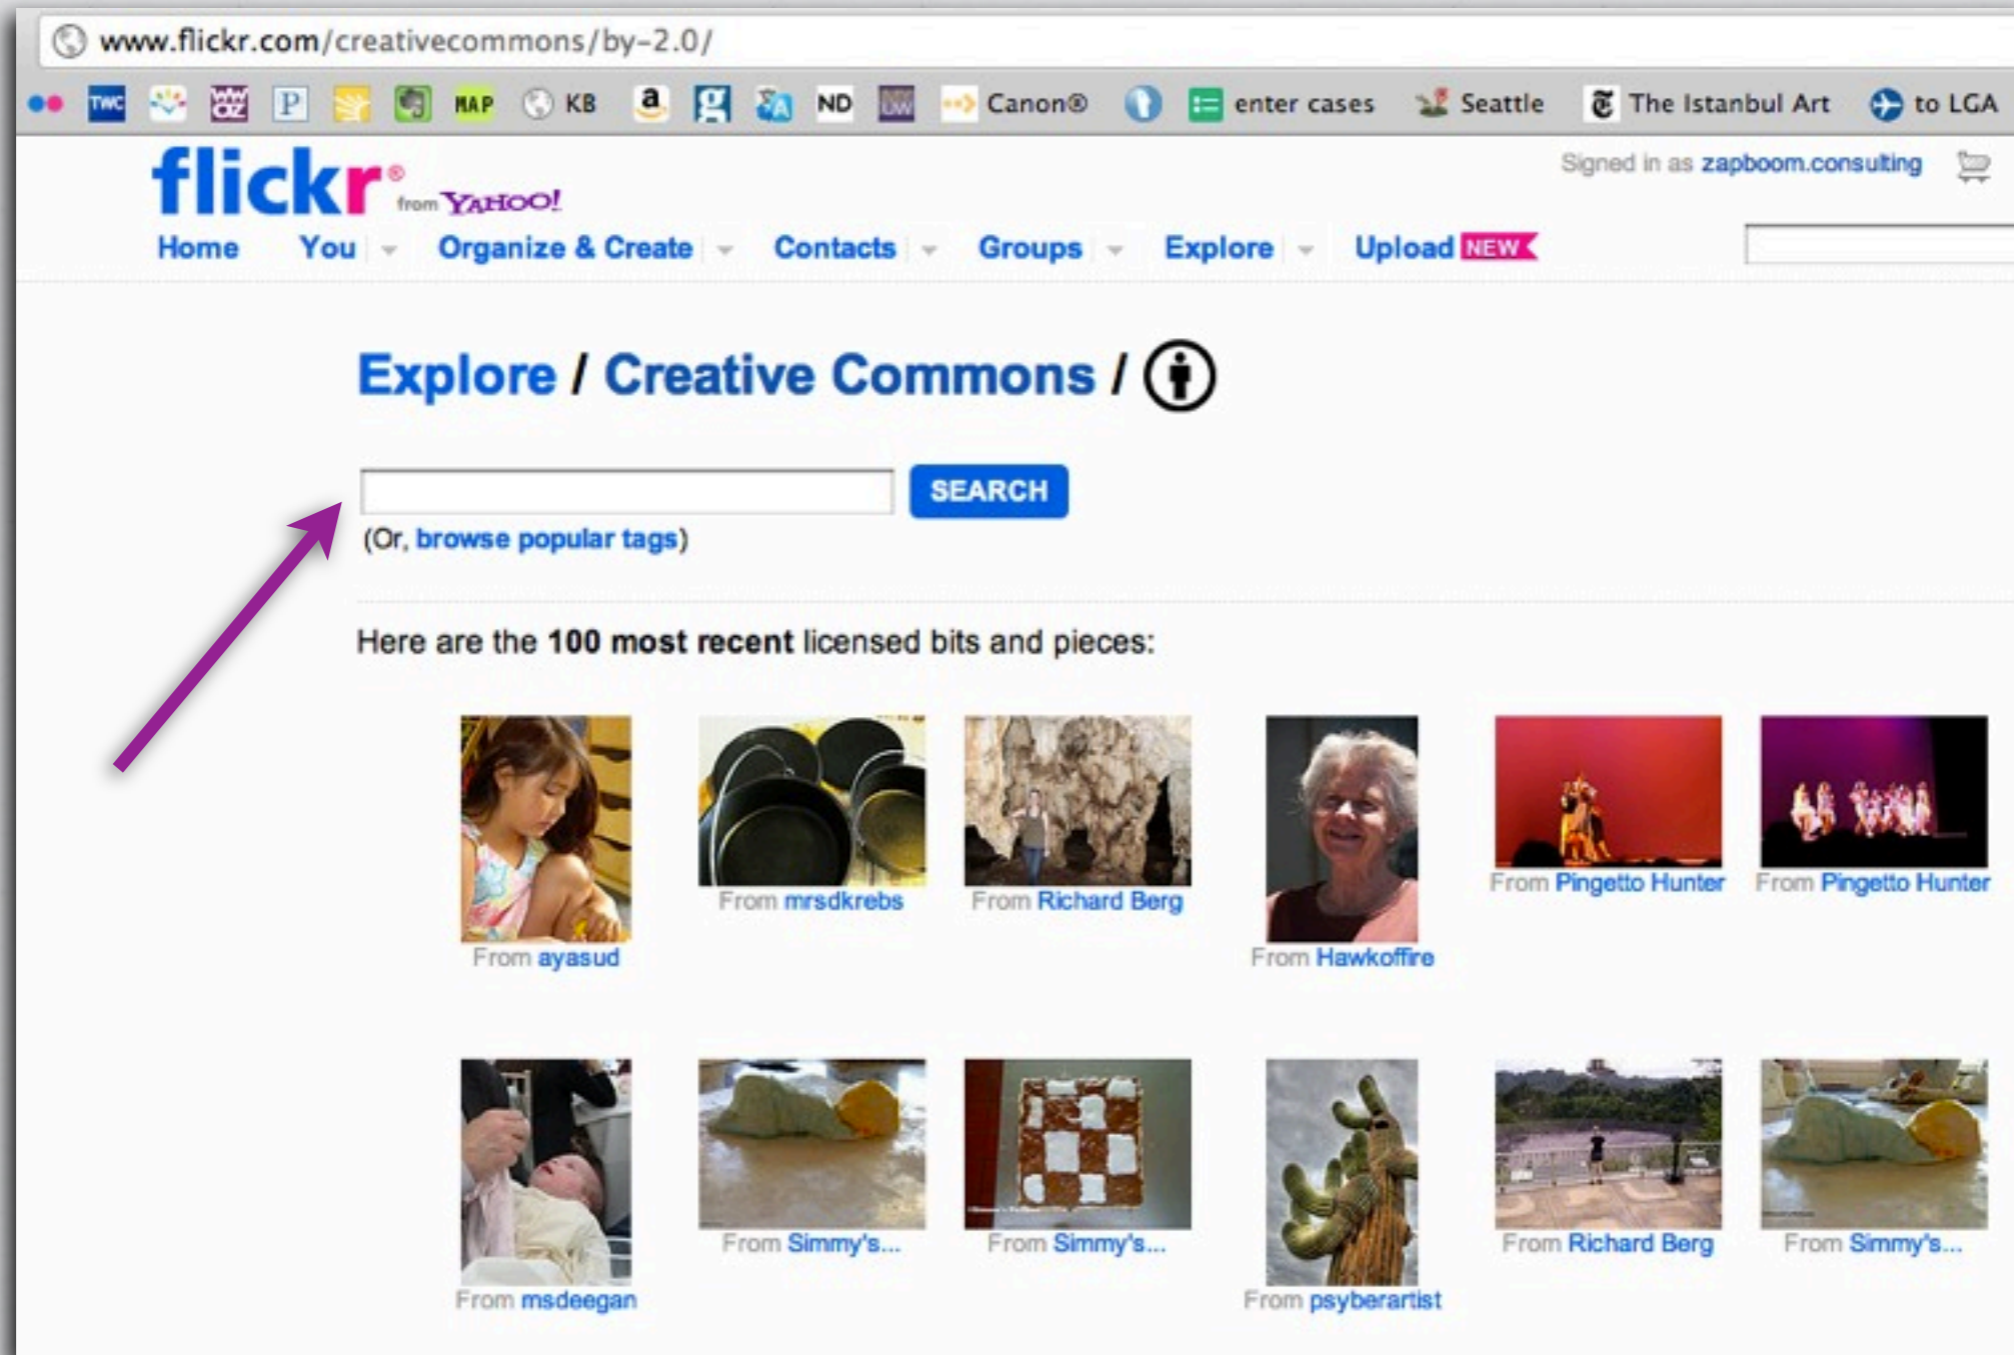

Big Images / Few Words

Your presentation priorities

1. *sound and images*
2. *emotions*
3. *words and ideas*

Images illustrate your ideas

Sounds

- * Clear Words
- * Don't Rush
- * Energy and Emotion
- * Look at your Audience
- * Use the Space

The sound is your voice

Good or bad slide?

Bad: Too many words AND images - confusing
